

**A unique continuous professional development opportunity, giving you an insight into land-based, food and environmental industries.**

# Farming in Action

**This event is aimed at KS 3, 4 and 5 teachers of:**

**Geography**

**Engineering**

**Science**

**Careers**

**Food Technology**

**Tuesday 20th March 2012**

**Time: 9:30pm to 3:30pm**

**Venue: Hungarton, Leicestershire.**

- ✓ Accredited training (5 credits at Level 4).
- ✓ **Free** to secondary school teachers and careers advisors (with funding for supply cover)
- ✓ Enhances careers guidance and enriches classroom teaching with real life examples.
- ✓ Network with STEM Ambassadors and fellow teachers.

**This event will give you an insight into careers in the land-based, food and environmental sector. There will be a Farm Tour with guidance on how to use tours within the curriculum and highlighting careers around the Farm along with practical activities that can be used in the classroom.**

**Graduates in Food and Agriculture are in high demand, come and find out why!**

## **Networking opportunity with STEM Ambassadors**

STEM Ambassadors representing a variety of Farming, Food and Environmental careers will be in attendance for a networking opportunity, allowing you to make links and plan possible talks and activities for your students.

**Booking required - see form overleaf**

# Farming in Action

**Impact Awards of £200, from the Science Learning Centre East Midlands are available for each qualified teacher from a maintained school attending this CPD opportunity.**

The Impact Awards will be administered by the Science Learning Centre and is linked to the Learning Outside the Classroom course.

Your £200 will be sent to your School / College on receipt of the following paperwork:

- IMPACT Form 1 - Highlighting your objectives for the day.
- IMPACT Form 2 - An evaluation form at the end of the day.
- IMPACT Form 3 - After the event you will be sent a form to record what impact the day has had on your teaching. (All forms are one sheet of A4 only!)

**The £200 could be used to repay cover costs (if incurred), or to pay for new resources etc. Please call the Science Learning Centre for more information on the IMPACT Awards: 0116 252 3771.**

**shape the future** - STEPS at Work  
Science, Technology and Engineering Placements

This opportunity is supported by the  
**STEPS at Work** initiative and the  
**Science Learning Centre East Midlands.**
